EXPLANATORY NOTE

This document can only be reproduced in full ; it only concerns the submitted sample.
 Results have been obtained and reported in accordance with our general sales conditions available on request.
 When declaring compliance or non-compliance, the uncertainty associated with the result has been added or subtracted in order to obtain a result that can be compared to regulatory limits or specifications. The uncertainty has not been taken into account for standards that already include measurement uncertainty or on explicit request of client.
 The tests are identified by a five-digit code, their description is available on request.

The tests identified by the two letters code AQ are performed in laboratory Eurofins Análisis Alimentario SL.
 - ACCREDITATION in compliance with UNE EN ISO/IEC 17025:2005 ENAC nº 1094/LE2182.
