EXPLANATORY NOTE

This document can only be reproduced in full ; it only concerns the submitted sample.
 Results have been obtained and reported in accordance with our general sales conditions available on request.
 Only results for which a specification or a standard is quoted are taken into account during interpretation.
 In order to declare conformity to existing regulations or customer specifications, the uncertainty associated with the result will be added or removed in such a way that the result can be interpreted in any case regarding the specifications or regulations in force. It will not be taken into account in case of standards which already incorporate the measurement uncertainties.
 The tests are identified by a five-digit code, their description is available on request.

The tests identified by the two letters code FS are performed in laboratory Eurofins Food Chemistry Testing US, Inc..
